

The IN Crowd™

Intentional Networking

The Intentional Networking Crowd (aka...**IN Crowd™**) is designed to grow your network faster and more efficiently than you've ever experienced in the past.

We have unlocked the secrets to efficient AND effective networking and are using / teaching these secrets at the **IN Crowd™**.

We are focused on the fact that everyone refers to people that they know, **respect**, and trust; we are a results oriented crowd. We focus on where we can all grow the fastest.

We have spent years networking, growing professional relationships and honing our skills. You probably have too. We got frustrated with all the booze, food, coffee and the lack of quality leads or referrals. If you are finding the same frustrations, reach out to Zee@AushiMizani.com or Amanda@SilverKeysMedia.com to see about getting an invitation to the **IN Crowd™**.

So what's this all about? This is a monthly membership for only \$20 a month

What do you get for your \$20?

- We offer a nonexclusive, invitation only group with structured 90 min meetings that happen up to three times monthly.

- As a member of the IN Crowd you are welcome to join one or all meetings per month. (*we do require an RSVP so we can communicate with our venues*).
- Additionally we have a private Facebook group where you can accelerate your networking by taking out the fluff to get to the stuff faster. No need to coffee date when you can hop on FB or a video call and get the answers you need immediately.
- Each month we focus on a particular skill or mindset that will benefit your network and your networking. These skills or mindsets are practiced at the meetings.
- At least once a month there will be a meeting with a specific industry category (Real Estate, B2B, Financial, Health & Wellness, B2C, etc...).
- Meetings are held in at a local business we support & love or in a private home.

Are there expectations? **Sure there are!!**

- All members must be an LLC, S-Corp, C-Corp or registered Non-Profit (*Why you ask?... This puts us all on a more even playing field in terms of business laws, taxation, employees, etc.*)
- IN Crowd™ meetings are 90 minutes long and you are expected to attend the entire meeting.
- If the meeting is held at a public venue we do expect that you support the venue by purchasing food or beverage.
